Le BOL Grill

Stainless Steel Grill

- 304 stainless steel
- 3/8" thick
- Removable handles

Cooktop

- 1/2" thick Carbon Steel cooktop
- Unique Decagon shape
- Excellent heat conduction
- Durable
- Affordable
- Non-stick properties (after seasoning)

Air Injection

- Fresh air is fed from the fire bowl
- Replaceable steel liner with 220 air injection holes
- Hot, crackling fire without the smoke, but all the flavor
- Hotter fire because it's burning more efficiently
