

RENAISSANCE LINEAR 50

ADDENDUM TO INSTALLATION MANUAL

Installation of the fireplace baffle:

In the firebox are three parts that comprise the fireplace baffle

- 2 Baffle Rails
- 1 Deflector Plate

To install the baffle:

- 1) Locate the two Baffle Supports which are installed in the top RL50 firebox
- 2) Position the two Baffle Rails across the Baffle Supports as shown below
- 3) On the Baffle Rails, bend the two inner tabs down flat so the Deflector Plate will sit flush.
- 4) Position the Deflector Plate on top of the Baffle Rails as shown
